NAAC ACCREDITED 'A++' GRADE COLLEGE

2022-2023

Name of the Department/Society: Equal Opportunity Cell

Name of the Event : Seminar on Eye Donation Awareness

Date of the Event: 07-09-2022

Convener of the Department/Society: Prof. (Dr.) Baljeet Kaur

Description of the event

Equal Opportunity Cell, Hansraj College in association with Saksham Indraprastha organized an eye donation awareness session on 7 September 2022. The event was graced by the presence of the eminent speaker, Dr. Balram Pani, Dean of Delhi University Colleges, and Prof. Sanjeev Kumar, Dept. of Political Science, University of Delhi. Dr. Baljeet Kaur, Convener of Equal Opportunity Cell formally welcomed the guests and addressed the participants on the importance of donation.

Our keynote speaker, Dr. Balram Pani explained the significance of “Sarve Bavantu sukhinah”: all living organisms should be treated equally. There should be no discrimination between people as this is part of our culture. Sri Lanka, he said, is doing 100% eye donation and we should take inspiration from this. One should never have this thought that they are helping but cooperating with fellow citizens, thereby highlighting the essence of Nishkama-karma in eye donation.

Prof. Sanjeev Kumar said we must not only generate awareness but also act according to the need, rise above conjectures, and get the right information. Having self-belief and self-respect is very important. It is followed by a documentary to indicate the relative benefits of eye donation. Then, he also highlighted the objectives of Saksham Indraprastha and the research inputs. Dr. Rajesh Kumar Sharma delivered the formal vote of thanks and thanks to guests, organizers, and participants to make the event a memorable one.
