HANSRAJ COLLEGE

ANNUAL PLACEMENT REPORT

2020-21

We are profoundly delighted to hereby declare a successful completion of the Placement Session 2020-21.

We are honoured to have had numerous distinguished and eminent organizations from the corporate world onboard with us and pave the way for a stellar Placement Season. The cell witnessed a substantial surge in the number of recruiters and the offers rolled out, with the number of recruiters exceeding 180. We are glad to have moderated opportunities with an average package of 7 LPA, the highest being 19.25 LPA. Over 215 students were successfully placed in the Placement Season 2020-21.

Our other initiatives like Corporate Competitions and Alumni Anecdotes assisted students in building their skills and gaining significant corporate exposure and recognition.

The Placement Cell, Hansraj College takes this opportunity to extend its deepest gratitude to the conveners of the cell who have imparted guidance and knowledge at every step while ensuring smooth, hassle-free recruitment drives.

The remarkable success of the season, despite such testing times, is a testament to the quality, skill set and diligence of the student pool of Hansraj College.

We hope with the onset of the new Placement Season, the cell continues to strive hard and reach unfathomable heights of success!
