

NAAC ACCREDITED 'A++' GRADE COLLEGE

2022-2023

Name of the Department: Pi, Department of Mathematics

Name of the Event: Lakshya

Date of the Event: October 31, 2022

Description of the event:

We, at the Department of Mathematics, Hansraj College, are eager to announce the successful addition of another voice in the line of speakers of our very own Lakshya series. The series consists of Career Advice sessions and the most recent one was held on 31st October, 2022. Our guest speaker this time was none other than the Founder of Actuators Educational Institute, Mr. Praveen Patwari. Along with him came Ms. Shivangi, an associate of the institute to assist.

Sir in his presentation. We were also surrounded with professors from the department and students of various colleges.

The session began with the inaugural 'Diya Lighting ' ceremony, followed by a warm welcome of our guests and the College Bursar, Preeti Dharmarha Ma'am. We then leaped directly into our topic of the day - Actuarial Science as a Career. The next two hours were a detailed analysis of what Actuarial Science is and the potential it holds as a career defining subject. From institutes that offer the course at hand to the ideal timing for one to start pursuing the course, everything was covered in the session. Momentous questions from the audience and spirited replies from the speaker really kept the forum run smoothly and made it exceptionally interactive and engaging. We then called upon Sir Rakesh Batra, the convenor of the Mathematics Department to present the Letter of Appreciation to the speaker. The session finally came to an end with a note of gratitude from our Department President, Ms. Khushi Agarwal and we called it a day.
