### 30<sup>th</sup> June-1<sup>st</sup> July,2023

The TEDx Hansraj College continuing its legacy of organizing successful series of speaker sessions came back with its another event. This time it was 2-days online event organized on Instagram Live with a lineup of 4 speakers divided as two sessions each day attended by about a thousand people. The Day-1 started off well being hosted by one of the team members with an introduction of the theme- 'Embracing The Unknown' which conveys the message of living life as it is meant to be and igniting the spirit of exploration which aims to shed light on the transformative potential that lies within uncertainty itself.

The first speaker invited was Ms. Pankti Shah who is the founder and business head of Eastline Studio- a designing company offering various services for designing package, brands, graphics, products etc. She is an entrepreneur, an influencer, a design consultant a yoga instructor and a life coach. She shared with the audience how she decided to be an entrepreneur at a young age of 16. She shared her ideology of designing not for the brands but for the ones interacting with brands. She even supported the theme by sharing her mantra of life that is to figure out what difference one wants to make and work on it.

The second speaker for Day-1 was Ms. Harjas Sethi, a content creator and a social media influencer who shared her experience of starting her journey as a content creator by leaving her corporate job. She shared how she used to be and still continues to be criticized for the work she does, but she also shared her way out to ignore those comments and continue to do what she loves. Her story of embracing the challenges and criticism was helpful in conveying the meaning of the theme of the event. The session was ended with a word of thanks by the host and a revelation of the speakers joining on the second day.

Day 2 of the event commenced with the presence of Ms. Srishti Garg, a renowned digital content creator and influential figure in the realm of social media. She captivated the audience by delving into the origins of her journey as a content creator, followed by an insightful discussion about her illustrious career in the fashion industry. She graciously shared her perspectives on the delicate equilibrium between the generations of 'GenZ' and 'Millennials', providing the audience with a deeper understanding of this dynamic interplay.

Notably, she expressed her profound admiration for the legendary Shah Rukh Khan.

Overall, Srishti Garg's presence on Day 2 of the event was nothing short of captivating, as she effortlessly blended her personal experiences with valuable insights, leaving the audience both enlightened and inspired.

The event reached its climax with the appearance of our final speaker for the day, Indian Foreign Service Officer Himanshu Singh. With an infectious enthusiasm and unwavering support from his family, Mr. Singh shared his inspiring journey of overcoming obstacles to become an IFS officer, despite hailing from a middle-class background. He also recounted his experiences during training at SSIFS and revealed the sources of his unwavering motivation. Moreover, he generously imparted valuable advice to those who aspire to follow in his footsteps, concluding with a heartfelt message for his loved ones.

The presence of Mr. Singh not only revitalized the energy of all the attendees but also provided a truly dynamic conclusion to our two-day event.
