## NAAC ACCREDITED 'A++' GRADE COLLEGE

**Name of the Society:** *Ordinateur*, Department of Computer Science

**Name of the Event:** Dental Health and Motivation Program

**Date of the Event:** 24.04.2023

**Venue:** Hansraj College

Dr. Pooja's Dental Health and Implant Center, in association with Paramjeet Bamaniya, Vice President of Ordinateur at Hansraj College, organized a dental seminar at the prestigious Hansraj College. The seminar aimed to educate students about the advancements and achievements in dental operations, along with providing instructions for maintaining healthy teeth.

The dental seminar commenced promptly at 1:00 PM, with a warm welcome by Dr. Pooja, the renowned dental specialist and founder of Dr. Pooja's Dental Health and Implant Center. She introduced the objectives of the seminar, emphasizing the importance of oral health and dental care. Dr. Pooja, accompanied by her team of experienced dentists, showcased their notable achievements in dental operations. The audience was captivated as Dr. Pooja shared success stories and highlighted the positive impact their center had made on patients' lives. The presentation included before-and-after images of various dental procedures, demonstrating the effectiveness of their treatments.

To enhance the understanding of the audience, the organizers utilized projectors to display high-quality visuals and educational videos related to dental procedures. The projected images and videos provided an in-depth view of different dental operations, enabling the attendees to grasp the intricacies involved in oral healthcare treatments. Following the presentation, a lively interactive session was conducted. Students were encouraged to ask questions and seek clarifications regarding dental procedures, oral hygiene, and related topics. Dr. Pooja and her team patiently answered each query, sharing valuable insights and addressing concerns raised by the enthusiastic participants.

Dr. Pooja delivered a comprehensive session on maintaining healthy teeth and gums. She discussed common dental issues faced by students and provided practical tips for oral hygiene practices, including brushing techniques, flossing, and the importance of regular dental check-ups. The speakers emphasized the correlation between oral health and overall well-being, highlighting the role of diet and lifestyle choices in preventing dental problems. As a gesture of goodwill, the center offered free dental consultations for Hansraj College students until 31st December 2023.

Overall, the seminar served as a platform for students to expand their knowledge of oral health and foster a deeper understanding of dental care practices.

**Number of Students Attended:** Around 100
