NAAC ACCREDITED 'A++' GRADE COLLEGE

2025-2026

Date of the Event : 6th October 2025

Organised by : Nishtha - The Civil Services Society of Hansraj College

In Collaboration with : The Study IAS

ABOUT THE EVENT:

The Civil Services Society of Hansraj College, Nishtha, organized an enlightening event on 6th October 2025, at 2:15 PM in the multipurpose hall of the college, in collaboration with Study IAS. The event was designed to enhance students' awareness of global economic changes and provide them with a platform to test their civil services preparation. It comprised two major segments — an interactive lecture session by Manikant Sir on the topic “Globalization and Deglobalization” and a Scholarship Test Series conducted with the support of Study IAS.

The lecture session by Manikant Sir offered deep insights into one of the most crucial and timely topics of the modern era. He explained how globalization has shaped the interconnected world through trade, communication, and cultural exchange, and how recent global trends indicate a shift towards deglobalization driven by protectionist policies, geopolitical tensions, and national self-reliance. The session also covered the historical evolution of globalization, its impact on developing economies such as India, and the vital role of civil servants in maintaining a balance between global engagement and national priorities. Students actively interacted with the speaker and raised questions related to international relations and economic policies, which made the session highly engaging and intellectually stimulating.

Following the lecture, the second segment of the event featured a Scholarship Test Series organized in association with Study IAS. The test aimed to evaluate students' conceptual clarity, analytical ability, and general awareness — essential components of the UPSC Civil Services Examination. A large number of students from various departments participated enthusiastically, showcasing their competitive spirit.

The event proved to be a perfect blend of academic enrichment and practical exposure. It not only provided valuable insights into global economic patterns but also inspired aspirants to approach their civil services preparation with renewed focus and confidence. The efforts of the Nishtha Society team and the collaboration with Study IAS ensured the event's success, leaving a lasting impact on all participants. The initiative reflected Hansraj College's commitment to fostering intellectual curiosity and preparing students to become informed, responsible, and visionary future leaders.
