

2021-2022

Name of the Department/Society: **Srishti Chetna - The Zoological Society**

Name of the Event 12: Workshop: Nest Making

Date of the Event: 28th February, 2022

Srishti Chetna - The Zoological Society of Hansraj College organized a **Workshop** on 28th February, 2022 on “Nest Making” on occasion of National Science Day. Which included talk and hands on activity. The session was headed by our esteemed speaker Mr. Rakesh Khatri (The Nest Man of India).

Dr Farhat Jahan, the coordinator of the event introduced Mr Rakesh Khatri and enlightened the audience with his contributions towards environmental protection as well as extraordinary credentials. Dr Hardeep Kaur presented the chief guest with a token of gratitude. The session started off with a fun game ‘guess the animal’ in which both teachers and students participated. This filled the entire atmosphere with zeal and joy.

Nest making kits were provided to individual participants as well as to students in groups of five. The Nest kit relied only on waste materials and contained zero plastic wastes. Mr Rakesh Khatri taught students step by step how to make a beautiful bird’s nest using jute fibres, wooden hoops. Throughout the workshop everyone learned a lot about the sparrows from their habitats to behaviours; a lot of practical knowledge was also imparted to students. Mr Khatri himself supervised all the steps for making a comfortable nest for sparrows. In the end, after an hour of hard work, the beautiful nests were ready and students surrounded our chief guest for capturing a new experience. Our Principal, Dr. Rama bestowed us with her presence and nests were installed in nearby trees. This marked the end of a very informative and enthusiastic workshop.

The poster is for a 'Nest Making Workshop' organized by the Department of Zoology at Hansraj College, University of Delhi. It features the college's logo and a circular portrait of Mr. Rakesh Khatri, the guest speaker. The text includes the workshop title, date (28th February, 2022), time (11:00 AM, Front Lawn), and a registration link. It also lists the names and roles of the organizers: Dr. Farhat Jahan (Coordinator), Dr. Pooja Arora (Co-coordinator), Prof. Rama Sharma (Patron), Dr. Poonam Rani (Society Convener), Dr. Sudhida Gautam (Co-coordinator), and Dr. Lokesh Chandra Mishra (Teacher-in-charge). A slogan 'Don't Let them fade out - Let's Save the Sparrows' is prominently displayed. The background of the poster shows a bird's nest with a sparrow.
