## **Event 1:** 1.The Quaranteam Chronicles-

*Culinary Arts Society, Hansraj College organized its first big online event which was widely appreciated by the audience. It involved a treasure hunt for all the James Bond fans to test their wits, followed by a meticulously put together murder mystery. The mind game was to solve the mystery to get hold of the final treasure by testing the problem-solving skills of the participants in the most heated situations. With more than 200 participants and the finalists jumping through different platforms to find the clues to win the exciting prizes, the audience could not get enough of this event.*

## Event 2: 2.Sahyog-

The Culinary Arts Society, Hansraj College took an initiative along with professional health trainers to conduct Sahyog, a program that provided free Yoga and Meditation sessions to people of all age groups. Spreading across various days, our morning and evening sessions with specialized trainers in their respective fields provided a much-needed calming relief in those tough times. With a tremendous footfall, CAS provided solace to our community during the harsh times.
