

2021-2022

Name of the Department/Society: **WDC**

Name of the Event 2: **Webinar on sexual health Awareness and menstrual hygiene**

Date of the Event: 10th July 2021

Sexual health and menstrual hygiene are crucial elements of our holistic approach to health and well-being. Taking note of this, we felt immense pleasure to host Ms. Aashrina Jain -- Campaign Lead for HaqSePERIOD and spokesperson for PEE SAFE for a webinar on the topic "Sexual Health Awareness and Menstrual H 2021_22_AE_R_WDC_2ygiene" on July 10th 2021 at 4 PM. We felt proud to collaborate with the renowned hygiene and wellness brand PEE SAFE which focuses on providing sustainable hygiene products to both men and women. To reach out to a larger segment of the population the brand also launched its more affordable RAHO SAFE range of products recently.

More than 100 people joined the webinar and also interacted and asked questions from the speaker.
