## NAAC ACCREDITED 'A++' GRADE COLLEGE

### 2022-2023

**Name of the Society:** Haritima –The Environmental Awareness Society

**Name of the Event:** Cleanliness Drive

**Date of the Event:** 31 Jan 2023

**Convenor of the Department/Society :** Dr. Justin Mathew

**Description of the event:**

Cleanliness Drive was organized under the **Million More Project**. The Primary goal of this drive was to spread awareness among the people regarding cleanliness and protecting the environment from different types of pollution.

**The Million More Project aims to unite college students and environmental enthusiasts together, offering them an opportunity to collectively make an extraordinary impact on the environment.**

On January 31, 2023, the Million More Project organized a Cleanliness Drive starting at 9:30 am at Civil Lines, Kamla Nehru Ridge. 17 students participated, demonstrating their dedication to the environment. During the drive, they encountered various types of waste, such as plastics, polybags, fruit and vegetable peels, and more. They diligently collected these items in separate bags, sending recyclable plastics to recycling units while preparing decomposable materials for proper decomposition.

The event was a success, showcasing everyone's shared commitment to taking action for Mother Nature. Encouragingly, participants made earnest efforts to contribute. Let's advocate for more people to decompose their household waste in their bins rather than littering the streets.

Together, by making small efforts, we can collectively improve our world for a better future.
