Haritima under its yearly initiative Adopt a Plant challenge organized a speaker session on the topic: " Plant , Trees , and sustainable living :Innovations for pollution reduction. This session was held on 16th of April 2023 and the speaker of the session was Mrs Sunita Khanna who is an educationist and an Environmentalist. She has worked in the field of sustainability for years. She is involved with many NGOs as well. In the session she briefed the participants about the rapid rising pollution and the necessity to take urgent steps for better and sustainable development. She spoke about how we can adopt sustainable living in order to deal with the environmental crisis that the world is facing today. The session was attended by people from different parts of the country. It was really an enlightening and insightful session.
