

## 2019-2020

**Name of the Department/Society:** Equal Opportunity Cell

**Name of the Event 2:** Orientation Day

**Date of the Event:** 09-09-2019

On the 9th of September, Equal Opportunity Cell and Enabling Unit kick-started this session by successfully conducting its Annual Orientation Programme, graced by eminent guests. Following the felicitation of the invitees, the students struck a chord to Saraswati Vandana, praying for her joyous blessings.

The event began with the investiture of badges to the Core Members of the society who will form the backbone for the forthcoming year under the guidance of Suman Sourav (President EOC) and Sandeep Bisht (President EU). To brief the new members, a video clip tracing the journey and its events was broadcasted. It also visualized the various capabilities and talents of our specially - abled members. The team filled with zeal and energy to match the footsteps of their previous mates and became sensitive towards the specially- abled community. Also, two of the members filled our ears with their melodious tunes and amazed the gathering with their talented voice.

Guidance is the stepping stones for any task. Our principal aptly gave us some words of motivation. The leftover food for thought was granted by our guests Mr. Hans Raj Suman and Mr. Kamal Kumar Prajapati. Presenting examples from their experience they gave the audience words of motivation and inspired us with their witty tales. As the members of the previous session were being felicitated by the chief guest for their hard work, the new team cheered with ardor to live up to the benchmark they have set. Dr Rajesh Kumar Sharma (Convenor EOC) and Dr Shivani Agarwal (Coordinator EU) also encouraged the students with their inspiring words.

Following the accomplishment of the programme, the present team of the distinguished society stands a foot to work towards the betterment of the specially -abled and the community as a whole.
