DOG FEEDING DRIVE

Date: 27th May, 2023

Participants:

Shatakshi Singh, Purvi Handa, Vikas Pandey, Aradhya Pal, Pushpinder Singh

Introduction:

Our Social Innovation Team embarked on a compassionate feeding drive for stray animals, focusing on dogs and a surprising encounter with a cow. This report outlines the activities, locations visited, and the heartwarming impact of our efforts.

Session Highlights:

Feeding the Hungry Dogs: The drive began by feeding the hungry dogs near the Mandir. As we offered food to the first dog, the gratitude in its eyes spoke volumes. We ensured that the dogs within the campus area were provided for and extended our efforts by venturing inside KMC to find more hungry strays.

A Surprise Encounter: During our journey, we unexpectedly came across a cow, and without hesitation, we shared some nourishing rotis with her. This impromptu act of kindness further enriched our experience and underlined the importance of compassion for all creatures.

Heartwarming Fulfilment: The drive was a source of immense joy and fulfilment for our team. Witnessing the animals relish the food and receiving their unspoken gratitude left us with a profound sense of contentment. It was a poignant reminder of the positive impact we can have on even a single life.
