The resource persons for the webinar were Mr Punkaj Manav, a renowned artist; and Mr. Amit Kalla, a renowned artist and recipient of many awards including Jyanpeeth’s Young Poet Award. Mr Punkaj shared his artistic idea with the students regarding how one should draw. He discussed the importance of drawing with free hands and using one’s own intuition. He briefed everyone that to draw one should follow where the hands take us. Mr Amit imparted his poetic wisdom to the students. He shared his belief of being happy with one’s own self. He discussed the importance of enjoying one’s own company and how one can be happy without the company of anyone else but with our own self.
