Rotaract Club Of Hansraj College

Name of the Event – Project Khushali

Date of the Event – 2ND February, 2020

On 2nd of February 2020, the Rotaract Club of Hansraj College initiated Project Khushali at the Hindu Pakistani Refugee Camp at Majnu ka Tila.

People living in the camp are those who flee Pakistan to save themselves from religious persecution. They had everything in the land they used to call home - bungalows, businesses, education. But now, they are being forced to live in deplorable conditions and do not even have access to electricity or quality education.

Project Khushali aims at overall development of the children living in this camp. It focuses on their education, recreation as well as teaching them day to day life skills. To see such passion to do good in life in someone as young as these children are, is truly inspiring. We are grateful that we are able to help the children get closer to achieving their dream of owning a bungalow bigger than the one they left in Pakistan.
