The event provides students with an opportunity to showcase their literary talents and express their thoughts on wildlife and nature.

The competition revolves around two themes, "Stray Stories" and "World Through Wild Eyes." Participants are encouraged to explore the lives of stray animals and view the world from the perspective of wild animals. Through these themes, they can reflect on the challenges faced by animals, their interactions with humans, and the importance of wildlife conservation.

Designed to celebrate the power of written expression, Writer's Realm aims to encourage critical thinking, creativity, and environmental awareness. It offers a platform for students to leave their literary mark, express their perspectives, and present thought-provoking ideas, with exciting prizes awaiting the most compelling submissions.
