

2020-21

Name of the Department/Society: LUMEN

Name of the Event 3: Quiz competition - BRAIN IT ON!

Date of the Event: 7th February 2021

LUMEN organized its first competition for the academic session 2020-21 on February 7, 2021. It was a quiz named '*Brain it on!*' which tested the grip of the students on the concepts of Physics and Electronics they had learnt so far. The event was conducted online on Microsoft Teams platform. In total, 10 enthusiastic teams comprising of students pursuing Physics and Electronics participated in this exciting event. The quiz was divided into four rounds namely MCQ round, picture and video based questions round, assertion and reasoning round and the rapid fire round.

Every round was an amalgamation of questions from both Physics and Electronics. All the participants were instructed about the rules of each round before its commencement. The quiz was an enriching experience for all the participants. The challenging questions and highly competitive nature and conduct of the quiz made the experience even better. The
