

2020-2021

Name of the Department/Society: Ordinateur

Name of the Event 7: Webinar on CV Building and Securing Internships

Date of the Event: 14-02-2021

Ordinateur, the Computer Science Society of Hansraj College, successfully organized a webinar on CV building and securing internships by Ms. Isha Nagaich. Over a hundred students from different colleges turned up for the session.

Ms. Isha, who is currently working as the Category Manager at Jumbotail, had reasonable experience in helping people with their CV building. So, she broke the ice by briefing the participants about what a CV is and then went on to differentiate between a CV and a Resumé.

Further, with the help of a sample CV, she offered a structure-elaboration plus the dos-and-don'ts of a CV. Its key highlights included— reverse chronological in CV lines, simple and concise language, etc.

She also talked about securing internships and told the participants to only secure the ones which are somehow relevant to their career and advised mentioning a handful number of internships in the CV.

Although, she answered all the questions during the session yet just before the webinar's end, a short Question and Answer session was held where she fully dedicated herself to query-addressal. In all normality, many doubts popped-up and thankfully all of them were candidly answered.

in collaboration with

INTERNITY
TOGETHER WE CAN

**A WEBINAR ON
CV BUILDING &
SECURING
INTERNSHIPS**

ISHA NAGAICH
Category Manager at Jumbotail

Date - 14 Feb, 2021 | Time: 5 PM | Venue: GMeet

It goes without saying that, Ms. Isha's work-experience benefitted each and every one present.

What is a CV?

- Curriculum Vitae (CV) means "course of life" in Latin..did you know this? :D
- So..a CV is a "live document" of your-
 - educational background
 - skills (professional and personal)
 - professional works (projects, internships, on-the-job work experience)
