Description of the event:

Hansraj College, in association with DISHA, organized an enlightening event titled **"From Innate to Autoimmunity: Journey of a Lifetime."** The distinguished guest for the event was none other than Prof. Uday Kishore, PhD FHEA FRSB FRCPath.

The session began with lamp lightening, followed with a beautiful Saraswati Vandana, creating an auspicious atmosphere. Prof. Kishore then took the stage and shared his humble beginnings from Sasaram, a small village in Bihar. He talked about his academic journey, highlighting his time at the University of Delhi, the Salk Institute, and Oxford University.

With an engaging and interactive approach, Prof. Kishore elaborated on the differences between innate and adaptive immunity. He explained the organization of C1 and discussed his research on innate immunity and how it plays a crucial role in human health and disease, he also taught about auto immune disease and it's causes. His ability to simplify complex scientific concepts made the session highly informative and captivating.

Prof. Kishore also reflected on the significant influence of his mentors and emphasized the importance of loyalty and dedication to the field of science. Then he took a quick a Q&A session, where Prof. Kishore patiently addressed the audience's questions, further enriching the participants' understanding. The event concluded with his felicitation.

This event was a remarkable success, offering deep insights into immunology and inspiring many with Prof. Kishore's journey and contributions to science.
