Gender Equality Cell

Name of the Event – Meet and Greet

Date of the Event – 6th September, 2018

To mark the landmark judgement scraping off Section 377, Gender Equality Cell, Hansraj College organized a meet-and-greet on the 6th of September, 2018. The cell has been working towards Gender Equality for two years now, and having conducted various workshops and sensitization drives on the issue, the youth at Hansraj College felt immensely elated with the Supreme Court verdict. It was a very memorable day in the history of human rights all over the world when the world's largest democracy and one of the most diverse nations took a progressive leap forward to ensure equality between citizens of all genders and restored the right to love and life.

The verdict was marked by a celebration and distribution of sweets. Student-members of GEC have been sensitizing their fellow mates about the struggles of the LGBTQ+ community in the country. We made everyone aware of the SC's legendary judgement of decriminalisation of gay sex between two consenting adults. Students with their faces painted with rainbow flags looked joyous and were hugging each other. We believe our faith in judiciary has been reaffirmed and for this we thank the entire ally community and the judgement bench led by Justice Misra.
