CLIMATE CHANGE DRIVE

Date: 28th May, 2023

Community: Children

Participants: Vaibhav Madhani, Shatakshi Singh, Shikha Gupta, Vikas Pandey, Hemkesh Sharma, Pushpinder Singh, Shubhi Gupta, Aradhya Pal

Introduction:

The Social Innovation Team embarked on an impactful drive today at Kritaansh NGO, where our primary focus was to raise awareness about climate change among the children. This report provides an overview of our activities, interactions with the children, and the inspiring outcomes of our visit.

Session Highlights:

Curiosity and Engagement: Our drive commenced with an informative presentation on climate change. The children's enthusiasm was evident as they eagerly absorbed information about this critical global issue. Their curiosity led to engaging discussions, with questions and ideas flowing freely.

Pledge-Taking Ceremony: A significant moment during our drive was the pledge-taking ceremony. Witnessing these young minds pledge their commitment to making a positive difference in the fight against climate change was truly heartwarming. Their determination to protect the environment left a lasting impression on our team.

Creative Colouring Session: To encourage the children to visualize a sustainable future, we organized a colouring session. Their creative expressions through art allowed them to showcase their aspirations for a greener and healthier world. It was a testament to the power of imagination in fostering environmental awareness.

Contagious Energy and Passion: Throughout the drive, the children's energy and passion were contagious. Their genuine concern for the environment and their eagerness to take action served as a reminder that the youth are the driving force behind positive change.
