Description of Activity Conducted:

- Volunteers were asked to post a picture of them performing an environmental deed on the occasion of environment day.
- 5th of June is celebrated as Environment Day all over the world.
- Theme of environment day 2024 is Land Restoration, Desertification and Drought Resilience
- With the help of our volunteers and other students of Hansraj College posted pictures on social media accounts.
- Our moto is to make people aware of importance of performing environmental duties is fulfilled.
- Making people aware through online awareness create a sustainable and healthy environment, enhancing community well being and contribute to climate resilience.
- Environmental deed has become the only way in today's world to conserve biodiversity, wildlife and restoration of ecosystems.
- With rising temperature and on-going heat waves plantation can limit it by meeting climate mitigation.
- An online quiz was also organized for the students of Hansraj College with the idea that the questions will make them aware of their surroundings and more things regarding environmental sustainability and growth.
