Name of the Department/Society: **Society of General Awareness**

Name of the Event 6: Seminar on Science Communication and Dissemination

Date of the Event: 4th February 2019

SGA successfully conducted the seminar on Science Communication and Dissemination with Vigyan Prasar, an organisation under the Department of Science and Technology, Government of India on 4th February.

Our eminent speaker Dr. B.K. Tyagi, a Scientist of Grade-F in Vigyan Prasar, enlightened the students with concepts related with innovation, sustainable ideas and living with science, and urged to evolve General Science within us and see things with a different and more innovative perspective. The seminar was very informative and interesting, and encouraged the students to not learn, rather develop and live with science.
