NAAC ACCREDITED 'A++' GRADE COLLEGE

2022-2023

Name of the Department/Society: Women Development Cell

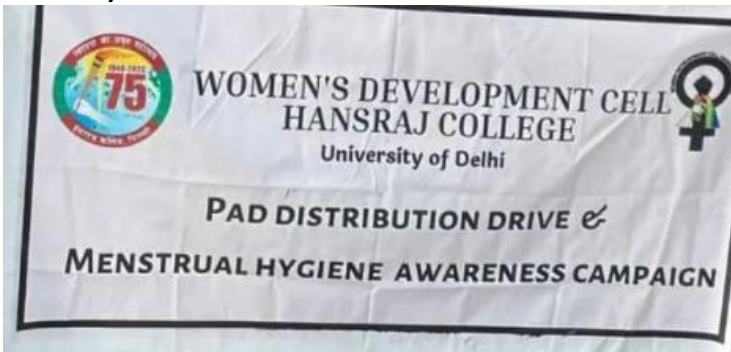

Name of the Event: Drive on Breast Cancer Awareness

Date of the Event: October 15, 2022

Convenor of the Department/Society: Dr.Monika Kaul

Description of the event: Women's Development Cell of Hansraj College hosted a collective drive with Rotaract Club on October 15, 2022, at Yamuna Khadar regarding Breast Cancer Awareness. All the women were summoned from the houses. Breaking the stereotypes, WDC commenced explaining to all the women and girls about Breast Cancer, and the reasons to be meticulous about. Further, active coordinators elaborated on how to detect breast cancer at an early stage and eliminate its consequences if it occurs. It was further followed by articulating the circumstances where it is highly demanded to consult a doctor. Frantic efforts were made to acquaint the women with the terms like a lump in the breast along with breaking the inbuilt taboo about keeping it under the carpet. Women and girls were facilitated to share if any of the symptoms like pain, bleeding, or lump has ever been faced. Apart from it, everyone listened intently and even asked queries. Every query was elucidated with patience and the drive was winded up by emphasizing the quote, Prevention is better than the cure. Eventually, snacks were distributed among the children and the glee on faces was worth the toil.
