Summer wont smell like itself without some fierce cricketing drama in the 'Gali's' of our respected cities. The Computer Science Department of Hansraj College, therefore organized 'Gully Cricket', as one of our cherished events on 22nd February of 2019. Reporting the first-hand witnessed beauty and excitement of the day might prove to be an extensive task, but the 16 teams which participated, consisting of 5 in each, have ascertained that this particular memory has necessarily and undoubtedly made a sweet space in their heads for years to come.

Right in the beginning, all the participants were briefed about the rules, which to the officials delight instantly became quite popular amidst the patientless crowd. The tournament's 15 matches consisted of delightful artistic talent as well as sheer suspense for us, the restless audience. The event's popularity was a moment of pride for all of us, but the happiness we witnessed was sufficient on its own. The event concluded with prize distribution and some worthwhile interactions with the audience.
