Report of events organized/participated in the academic year 20-21

Business Concurrence - The Business Concurrence 2020 was an initiative for the young minds of Class 11, 12 and First year college students to apply the strategic learnings taught to them in the classrooms. It focussed on bringing on table the decoding, planning and management skills by applying the principles of management. The event helped in testing the wit and 50+ participants competed to survive till the end.

HR Conclave - HR Conclave is a flagship event of the society focussing on the stories and intriguing inspiration through the people themselves. Adjusting ourselves to the new normal, continuing the legacy, and facing the challenges, we managed to successfully conduct the conclave in a virtual mode with a theme being *Quintessential Miscellany*, where we offered a blend of diversity and knowledge from different walks of life It was a great evening with 5 eminent personalities, one platform, 900 participants and extraordinary stories.

Imperium - The flagship event, conducted as an intra-society event this session, consisted of two sub-events: Politique and En

Route, that focussed on testing the skills of the ideal leader under the ambit of Human Resource, Planning, Leadership, Finance, Trade and Management.
