On March 23rd, 2026, Women's Development Cell of Hansraj College, in collaboration with Sanrakshan Foundation, organised a pad distribution drive and honestly it was an experience, which stayed with us long after the day was over. The aim was to provide basic hygiene products, but the real lesson was the strength and resilience of the women we met. We shared stories, broke down stigmas and saw how much more work there is to do to achieve menstrual health and hygiene for all. A huge thank you to everyone who came out and supported our effort. Special Thanks to Sanrakshan foundation for supporting us. Small steps make a big difference. The event beautifully reflected WDC's mission — to create a space where awareness meets action, and empowerment begins with well-being.
