

2020-2021

Name of the Department/Society: **Enactus**

Name of the Event 3: Fundraising Campaign

Date of the Event: 28th March, 2021

A fundraising campaign was organised by Enactus Hansraj to fulfil the requirement of funds. The aim to organise this campaign was to create more impact in society and this could be done only when we have a sufficient amount of funds with us. We made sure that whatever amount of funds we get from this campaign will be invested in the development of the projects. Some portion of the funds were also utilised for research and development of budding projects.
