2021 - 2022

Name of the Department/Society: Society for General Awareness
Name of the Event 2: Cybersecurity Awareness
Date of the Event: 16th October 2021

In this new era of digital world, the internet has become a defining feature of modern education. Indeed, the internet has made education more accessible and widespread than ever before meanwhile in this internet-driven world, cybersecurity incidents and breaches have become common problems.

The month of October is globally marked as National Cyber Security Awareness Month with a view to educate public and private sector to increase cyber resilience of the nation. Cybersecurity is important because it protects all categories of data from theft and damage.

So SGA, Hansraj College organised a CYBER-SECURITY AWARENESS WEBINAR and we had MR. DEVANG KARELIA founder of Proton Cyber-security as our guest speaker, who has an expertise in this field and he shared some tips and tricks of Cybersecurity. He discussed about basics of cyber security, what is cyberbullying and anti-bullying laws and how we should protect ourselves from the same.
