

2021-2022

Name of the Department/Society: **Srishti Chetna - The Zoological Society**

Name of the Event 11: An International Webinar in Hybrid mode on three different topic
“Bio-entrepreneurship and Introduction to facility at BioNEST-UDSC” and “Aspects of Apicultural Entrepreneurship”

Date of the Event: 25th February, 2022

Srishti Chetna - The Zoological Society of Hansraj College organized An **International Webinar** in Hybrid mode on three different topic “Bio-entrepreneurship and Introduction to facility at BioNEST-UDSC” by Mr. Vijay Kanyhariya, “Aspects of Apicultural Entrepreneurship” by Dr. J Jayaraj and "Off the beaten path - (Alternative) Careers in Life Sciences" by Dr. Apurva Barve was organized on 25th February, 2022 in which three different speakers shared their knowledge.

The event began with the lamp lighting accompanied by a mellifluous Saraswati Vandana by Ishita Gupta, a 2nd year student. After the Saraswati Vandana, Dr. Hardeep Kaur presented the speaker with a memento and program began in full swing.

The first seminar commenced at 12:30 p.m. at the old seminar hall with Aditya Sah as the host for the program. The focus of this talk was “Bio-Entrepreneurship and introduction to facilities at BioNEST-UDSC”. The speaker for this session was Mr. Vijay Kantharia and the seminar began with Dr. Kaveri Chakraborty introducing the speaker. The next hour was filled with intriguing talks on start-ups and innovation and how to set up one’s own company. Questions from the listeners poured in after sir’s terrific delivery. The vote of thanks was given by Dr. Jaya Malhotra Ma’am and this was the end of a small part of that eventful afternoon.

Second webinar was set into motion by Niraj Kumar, the host for this online webinar. The title for this webinar was on a very important industry- “Apiculture” headed by Dr. J. Jayaraj. The second session revolved around Apiculture, its various aspects and future scope. The talk was followed by a question-and-answer session and then the vote of thanks by Dr. Hardeep Kaur.

The last session for the day was extremely informative for students and titled: “Off the beaten paths- (Alternative) careers in Life Sciences”. This webinar was anchored by Sukanya Singh as she gave a brief introduction about the webinar and then invited Society President Yashi Tyagi to familiarize everyone with the speaker, Dr. Apurva Barve. Ma’am gave an extraordinary talk on career options for students from life sciences apart from the customary paths that are taken. The talk really gave students another chance to think about what they want to do once they step out of college life. The vote of thanks for this webinar was given by Devika, a 3rd year student at the Zoology department. This marked the end of the zestful day comprising of 3 back-to-back sessions on exhilarating and informative topics.
