

2018 - 2019

Name of the Department/Society: Rotaract Club

Name of the Event 1: THALASSEMIA AWARENESS

Date of the Event: 9th July 2019

Giving your fair share of goodness back to the society is nothing short of honour and that is exactly what we here at Rotaract Club of Hansraj aim at. The volunteers from The Rotaract Club of Hansraj College donated blood in order to help those in need and give back to the society in whatever capacity they can.
