2024-2025

Shri Vipul Ankant, co-author of the book, narrated his personal journey and collaboration with Shri Ashok Kumar in conceiving the book. He underlined how their shared experiences in law enforcement inspired them to document lessons on internal security for the benefit of civil services aspirants. He also emphasized the dynamic nature of threats, such as narco-terrorism and cross-border infiltration, which demand adaptive responses.

The session culminated with the Chief Guest, Shri Manohar Lal, who placed India's internal security within a broader historical and geopolitical perspective. Recalling the nation's struggles against invasions, wars, and terrorism, he stressed resilience, unity, and preparedness as the keys to safeguarding the future. He highlighted reforms post Article 370, the dangers of counterfeit currency, and the pressing issues of drugs, cybercrime, and illegal infiltration as priorities demanding national attention.

The ceremony concluded with a vote of thanks, marking the end of an enriching and thought-provoking session. The event proved to be immensely fruitful for students and aspirants, offering both academic insights and practical perspectives on one of the most critical challenges facing the nation today.
