

2021-2022

Name of the Department/Society: Entrepreneurial Cell

Name of the Extended Activity 1: K&D Session: Topic: Research and Documentation

Date of the Event: 28th August 2021

The first K&D Session was organized in order to introduce the members to the process of research and documentation. The session focused on how research methodology provides a systematic and deep insight into a problem and helps build the frontiers of knowledge. Various research methodologies, analysis tools, plagiarism tools and documentation techniques like adding citations and references were also discussed in the session.
