"You can't be involved in healthcare without being involved in battle against AIDS"

DSAC (Delhi State AIDS control society) has been in long association with DU since 2009 for carrying out HIV awareness and prevention activities through RED RIBBON CLUB for the benefit of youth and society. Following the lead, SGA Hansraj is here with an event under Delhi State AIDS Control Society (DSACS) in collaboration with Red Ribbon Club (RRC) and NSS Hansraj to spread awareness on AIDS and ways to prevent it. The challenges surrounding HIV and AIDS are getting more complex and mature, and spreading more and more awareness about the cause is a basic need. For this, we are having a poster making competition on AIDS Awareness. We request all the art enthusiasts out there to come and participate and show your contribution for the awareness of this cause.
