Name of the Event: Reading and writing the genome with precision

Date of the Event: 27th January 2023

Speaker: Dr Debojyoti Chakraborty

Principal Scientist, CSIR-Institute of Genomics and Integrative Biology, New Delhi

Srishti Chetna, the Zoological Society of Hansraj College, organized a seminar in the Hansraj College Auditorium on 27th January with our distinguished guest speaker being Dr Debojyoti Chakraborty. Vanshika Goswami, a second-year student of Bsc. H. Zoology was the host for the event. We started our event by the lamp lighting ceremony and a majestic Sarasvati Vandanaby Ishita that filled the entire auditorium with peace and grace. It was followed by a very impactful and encouraging speech by our respected principal Prof(Dr) Rama where she addressed our guest and the audience. It was followed by the Teacher-In-Charge, Dr Kaveri Chakraborty introducing the Society Convenor Dr Mansi Verma and the Student Council. Dr Mansi Verma the gave an elaborate introduction of the guest speaker, Dr Debojyoti Chakraborty who is affiliated to CSIR IGIB in New Delhi and also renowned for India's own COVID 19 testing kit, FELUDA. The moment Dr Debojyoti started speaking the entire audience was glued to him. He, in a magnificent way explained the topic in very simple terms so that each and every person there can understand it. He made the entire session very interactive and interesting. The session was followed by a doubt clearing session where not only students but also teachers participated to which our guest responded very patiently and comprehensively. The President of the society Niraj Kumar ended the program by giving the vote of thanks in which he expressed gratitude to our guest as well as all the stakeholders involved. The event was a huge success and ended smoothly.
