“

The imperative transition of students from formal education to professional careers is facilitated by the Placement Cell. The year-on-year surge in the number as well as quality of placement opportunities brought onboard for the talented pool of students at Hansraj is a testimony to the consistency and hard work of the Placement Team.

The Cell has also endeavoured to upskill the students by providing them significant exposure thereby better preparing them for challenging placement processes. It has been an honour to have hosted 350+ firms and have such eminent organisations form our distinguished list of recruiters as well as extend numerous offers to our students in the Placement Season 2021-22.

As we mark the beginning of the new session, we extend our profound gratitude to our distinguished recruiters for their belief in us and look forward to yet another successful placement season!
