Srishti Chetna, the Zoological Society of Hansraj College organised an awe-inspiring photography competition in online mode on 21 January 2023 vis MS Teams. The theme was "Wildreflex: Fauna through my eyes" which reflected those moments where you stopped in the middle of your way just to capture a beautiful "nature-moment". Participants had to submit photographs along with a short story they associated with that photograph. The photography competition was hosted by Divyanshu Bhatt, General Secretary and student of second year Zoology department, and had many enchanting entries. Each photograph had a unique story that the photographer associated with it. Some were reflections of loneliness, calm, fear others reflected hope, beauty and kindness. Some had recollected incidents of the past and depicted them in photographs. While others depicted animals as living characters! Everyone was in awe of such a diverse collection of beauty! The event ended with Dr Kaveri Chakrabarty and Dr Mansi Verma announcing the winner – Pranshu Ojha and his captivating photograph of a cat. The winners were congratulated and a vote of thanks was given by Niraj Kumar, president of Srishti Chetna. The program was well appreciated by all the attendees and ended smoothly
