**Name of the event 1 : Harshita Nayyar's Workshop**

**Date of the event : 19/01/2023**

**No. of Participants : 30**

**The workshop conducted by Harshita Nayyar, an alumni of Pixels, Photography and Videography Society, Hansraj College, aimed to redefine the perception of photography beyond the confines of social media platforms.**

Harshita Nayyar shared insights from her own experience in curating photobooks. She conveyed the idea that photography, when organized in a book format, becomes a powerful medium for storytelling and conveying messages.

The workshop took an interactive approach to engage the participants actively. Nayyar urged the participants to go beyond something usual; using chart paper and prints of their five best photographs, participants were guided to transform their images into tangible art. This exercise aimed to push the boundaries of traditional photography and encourage participants to think creatively, about presenting their work; to think beyond the digital realm.

Through insightful discussions, interactive sessions, and hands-on activities, participants were left not only with a fresh perspective, but also with the realization that photography is an expansive and versatile medium for artistic expression.
