On the occasion of Transgender Awareness Week, GEC HRC organised a webinar to celebrate Transgender Day of Remembrance by trying to draw attention to the community and spread awareness. The webinar saw enthusiastic participation of students and was presided over by two guest speakers, Mx Ria Sharma who is a human rights activist and educator, and Amrita Sarkar who is one of the founding members and the secretary of IRGT. The presenters shared their own stories and educated the audience on the country's LGBTQIA heritage. At the conclusion of the presentation, the audience participated in an interactive Q&A session in which they discussed the importance of mental health and the challenges that transgender individuals experience on a daily basis.
