**Name of the Department/Society: The Finance and Investment Cell**

**Name of the Event 1: EMPRESA 2019**

**Date of the Event: March 12, 2019**

The flagship event of FIC Hansraj, Empresa was an immensely successful initiative as it saw a participation of 500+ from colleges across the Delhi University circuit. It had two sub events namely, Burnout, a strategy simulation game and Stockfather 4.0, the legacy digital mockstock competition under its umbrella.

Stockfather was a one-of-a-kind digital mockstock which required participants to analyse news tidbits and place their bets on which stock will face the uptrend and which will suffer a crash. The competition also allowed them to trade in the market and make use of hedging techniques.

Burnout involved placing bets on race drivers based on a set of clues if they will make it to the final lap and win it all. Apart from events, we had a speaker session which saw illustrious speakers like Rajat Sharma, the Editor-in-Chief and Chairman of India TV, & CA Naveen Gupta, the former President of The Institute of Chartered Accountants of India (ICAI).
