The Department of Commerce, Hansraj College, University of Delhi, successfully organised a Speaker Session titled “A Journey into India’s Global Accounting Framework: Standards to Ind AS” on 3rd October 2025. The session aimed to familiarise students with India’s evolving accounting landscape and provide insights into the transition from traditional accounting standards to Ind AS.

The session featured CA Pankaj Goel, a Chartered Accountant and Public Finance Specialist, currently a Short-Term Consultant with The World Bank, with over two decades of experience in public finance and financial reforms.

During the session, CA Pankaj Goel explained the relevance, applicability, and practical implications of Ind AS in a student-friendly manner. Drawing from his professional experience with Ernst & Young and international organisations such as UNDP, he shared real-world examples that enriched the discussion.

An interactive Q&A session followed, allowing students to clarify conceptual doubts and gain a deeper understanding of accounting standards and their professional relevance. Overall, the event proved to be an enriching academic experience, bridging theory with practical application.
