Name of the Event 1: Food donation drive

Date of the Event: 04th June, 2021

Enactus Hansraj conducted a food donation drive in collaboration with Zomato feeding India foundation with its entire team. The team distributed packed foods to underprivileged kids and women. By doing so we observed that many people were malnourished and couldn't even afford two meals a day. This drive taught the lesson that we shouldn't waste food and always pay gratitude to food.
