#### **Description:**

On 31st January 2025, UDAAN – The Motivational Society of Hansraj College, took a compassionate step toward creating tangible change with its Cloth Donation Drive, reaching out to underprivileged children and families in need. The initiative was a humble yet impactful gesture to share warmth, care, and dignity through the distribution of clothes. A variety of clothing items including tops, kurtis, shirts, dresses, and kidswear sets were carefully collected, sorted, and lovingly distributed among children and families residing in the underserved local community. Each donated piece wasn't merely fabric—it was a gesture of hope, a symbol of empathy, and a step toward a more inclusive society.

The drive not only brought smiles to the faces of the recipients but also served as a moment of reflection and growth for UDAAN members, who engaged wholeheartedly in the distribution process. The expressions of joy, surprise, and gratitude from the children created a heartwarming atmosphere that underscored the importance of giving back to society. Through this initiative, UDAAN reaffirmed its commitment to social responsibility, community service, and kindness in action. The event beautifully aligned with the society's core philosophy—to inspire change by being the change.

This collective act of generosity and unity was more than just a donation drive—it was a moment of shared humanity. A heartfelt thank you goes out to every donor and
