**Name of the Department/Society:** Society for General Awareness

**Name of the Event 3 (Cultural):** International Girl Child Day

**Date of the Event:** 10<sup>th</sup> October 2021

International Day of the Girl Child, is observed on October 11, to recognise girls' rights and the unique challenges girls face around the world. To commemorate this day, SGA is organising an "OPEN LETTER WRITING" competition.

Today, girls are breaking boundaries and barriers posed by stereotypes and exclusion and creating a world that is relevant for them and future generations. If effectively supported during the adolescent years, girls have the potential to change the world. Progress for adolescent girls has not kept pace with the realities they face today, and pandemic has reinforced many of these gaps. So, under the theme "MY VOICE, OUR EQUAL FUTURE" grab this opportunity to pen an open letter as a youth and use your voice to highlight the changes and the solutions you demand to ensure equality in future.
