NAAC ACCREDITED 'A++' GRADE COLLEGE

2022-2023

Name of the Society: Haritima –The Environmental Awareness Society

Name of the Event: Plogging Drive

Date of the Event: 4 Feb 2023

Convenor of the Department/Society : Dr. Justin Mathew

Description of the Event: A Plogging Drive was organized by the **Million More Project in collaboration with MCD (Municipal Corporation of Delhi)**. The main aim of this drive was to take advantage of jogging and other outdoor sports to pick up the litter that spoils our cities and natural spaces

Plogging, a combination of picking up litter while jogging, became the focus of a significant initiative on February 4, 2023. The Million More Project, in collaboration with MCD, organized a Plogging Drive starting from Hansraj College and concluding at Civil Lines. Approximately 40 enthusiastic students gathered at the college gate at 10 am, embarking on a journey fueled by environmental concern and hope.

The participants diligently collected various materials—plastics, polybags, fruit and vegetable peels, chip packets, and kurkure wrappers—separating them into designated bags for recycling and decomposition processes. The drive thrived on enthusiasm, with active support from MCD members, amplifying the impact.

Beyond the cleanup, the ultimate goal was to raise awareness among the local community about the detrimental impact of neglecting the environment. These small efforts contribute significantly to making our world a better place to live. Haritima eagerly anticipates collaborating with more organizations dedicated to environmental causes in the future.
