

## **2020-2021**

**Name of the Department/Society:** **HULT Prize, Hansraj College**

**Name of the Event :** NGO's Campaign

**Date of the Event:** 2021

Hult Prize aims at promoting social entrepreneurship by challenging young people to solve the world's most pressing issues. It leads a generation to change the world. Our programme and campaigns aim to be relevant to local, national and global contexts.

In FY21, the society has implemented "NGO'S IN INDIA" campaign with the aim of spreading awareness of their work and impact they are creating.

NGOs covered under the campaigns:

TENDER HEART NGO, NANHI KASHTIYAN FOUNDATION, TARE ZAMEEN FOUNDATION, HELPING HUT NGO, RAUNAKEIN NGO.

The campaign followed the holistic approach of developing and interacting with different NGO's. The team contacted and collaborated with different NGO's and generated insights about their vision and workings. And the same received a mention on our social media handles.

In a world where every corporate is carrying out community initiatives, Hult Prize ensures that we continue to stand out for the quality of our objective of social entrepreneurship and leading the young minds to be the change maker.
