The Career Advancement Workshop (CAW) spanned over two intensive days was tailored specifically for in-house members eager to propel their careers forward. The agenda was rich with hands-on learning. Attendees learned practical skills and strategies that could be implemented immediately, including identifying strengths, setting professional goals, improving communication and leadership, and building networks. Notably, the workshop facilitated discussions on overcoming possible obstacles in the course of their academic and professional journey while emphasising the importance of crafting a compelling CV.

The event was steered by seasoned coaches who provided personalised mentorship, guiding each participant towards a clearer vision of their career trajectory. Our speakers included Mrs. Radhika Bajoria- Founder of Radically Yours and Prince Soni- Associate at PwC.
