

# TEDxHansrajCollege

## About the Society –

TEDxHansrajCollege is an initiative that has evolved from a desire, a desire of spreading tales and ideas worth spreading and provoking the conversations that matter.

TEDxHansrajCollege is an excursive journey that encompasses on educating and igniting the youth to reflect on their unconscious talents and unraveling their true potential. It is a top-notch level one-day event which brings students, teachers, corporates, etc together to share TED-like experiences.

The event stresses upon inculcating Hansraj College's rich culture, Indian values, and holistic vision into future leaders, change makers and influencers. We strive to transfuse our speakers' ideologies and enriching experiences with the next generation such that they can enact upon current world problems, and spread the wings of peace, harmony and justice wherever they may go.
