Name of the Event 15: Seminar on Cyber security and safety

Date of the Event: 18th February 2022

Taking cognizance of the increasing cyber crimes in the country and potential risks of unsupervised social media interactions, WDC Hansraj organised a seminar on "Cyber security and Safety Awareness" in collaboration with the Delhi Police.

The event took place in the college auditorium and saw the enthusiastic participation of around a hundred students. Our Vice-President Dr. Alka also graced the event. Officers from the Delhi Police enlightened the audience about the types of cyber crimes and the redressal mechanisms available if one falls victim to any kind of them. They went on further to enumerate police stations located around the Delhi University if one faces ragging or bullying on campus.

The session was followed by an interactive Q&A session where the speakers quenched the doubts of the attendees and gave their valuable insights on a variety of issues. Our respected convener Dr. Monika Kaul gave the vote of thanks and refreshments were distributed to all the attendees bringing the seminar to a successful end.
