

North East Cell

About the Cell: North-East Cell, Hansraj College is a collective of young minds promoting a creative approach to discourses ranging from culture, politics, sports, and academia. As a students' organisation representing the Northeastern region of India, the Cell strives to give voice to the issues relevant to the diverse communities of the region. The Cell organises various seminars/webinars, workshops, cultural events, competitions, academic discussions, and fests throughout the session. The Cell provides an inclusive, safe and friendly space to its members. It is a confluence of ideas, individuals and heterogeneous communities.

Convener name: Dr. Beauty Das

Student members (position held if any):

- Praveen Singh W. (President)

Report of events organized/participated in the academic year 20-21

- Assam flood fundraising drive (22nd July 2020):** The Cell started its activities with a fundraising drive for the Assam floods in collaboration with Wishes and Blessings, a Delhi based NGO. The initiative was named as Operation Milijuli, which successfully provided aid to 500 flood-affected families in Assam.

Phase II of the project was launched in collaboration with Hansraj College, New Delhi, to reach out to the victims of the Assam floods. Volunteers distributed ration and hygiene kits to 500 at risk families in Rangia and Mandakata village.

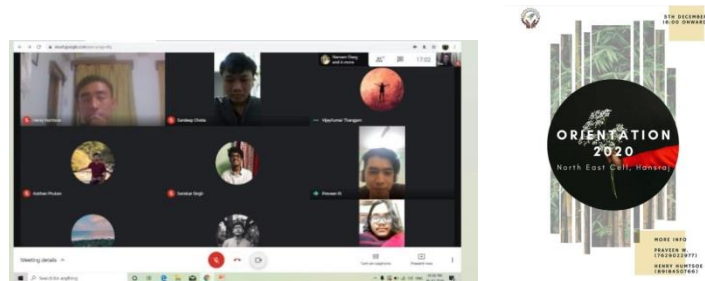

- Webinar on “How to Earn A Professional Degree Along With Your Current Study or Job” (7th November 2020):** Mr. Himanshu Sharma and Mr. J.K Bareja were the speakers for this brief but intensive career development session.

- **Webinar on “Fourth Revolution: Preparing For The Impending Change Amidst COVID Times.” (21st November 2020):** In this webinar Dr. Rekha Handa discussed the concept of Fourth Revolution, its socio-economic consequences, and the strategies to prepare for the impending change and challenges.

- **Orientation Program (5th December 2020):** An interactive session was conducted for the first-year students. The program aimed to discuss the functioning of the Cell.

- **Annual Lecture Session (24th January 2021):** It was delivered by Prof. Virginius Xaxa, a reputed sociologist, on the theme “Understanding the Tribal Communities of India: Identity and Hegemony.” The lecture provided a perspective on the tribal communities in India and the social, political, and economic linkages.

- **Webinar on “Basics of Oral Hygiene During Lockdown.” (29th January 2021):** Dr. Kasturi Khatniar discussed the basics of oral hygiene during the lockdown necessitated by the COVID-19 pandemic.

- **Online Competitions (1st February 2021):** Essay Writing Competition on My Birthplace: An identity, Painting Competition on Nature in Culture, and Photography Competition on Nature in Culture were held.
